

Declaration of consent for the use of photos, video recordings and contact data

Herewith I agree that pictures and video data of me: _____
(Name Surname)

taken during the **Kickoff Workshop "Seismology and Artificial Intelligence" from September 27 to Oktober 1 2021** may be stored by the Frankfurt Institute for Advanced Studies (FIAS) and used for the following purposes:

- Live streaming of the Event using the client zoom.us
- Print publication in project reports
- in project reports
- Publishing of talks on the internet on the following websites: <https://fias.institute>, <https://fias.science>

I agree that my name and affiliation may be used in the conference program and list of participants on: <https://fias.institute>, <https://fias.news>, <https://fias.science> and <https://figss.science>.

FIAS points out that the data, especially when published on the Internet, can be accessed worldwide and further use of the data by third parties can therefore not be generally excluded. The same applies - albeit to a lesser extent - to the publication of the image in printed materials.

This agreement can be revoked at any time - even partially - and is otherwise valid for an unlimited period of time. The signer is hereby informed of the data protection information stored on our homepage under: <https://fias.institute/en/home/privacy/>
